

Certificate of Compliance

This is to certify that the parts identified below have been produced or fabricated in accordance with the specifications of your purchase order and have been manufactured or fabricated with materials that conform to the published specification requirements.

Thermal Conductive Materials Series		
GP1000	GPE000	GP6F7124
GP2000	GPE000HI	GP8F7125
GP3000	GPG000	GP8F7125HI
GP5000	GPM000	GPEF7126
GP7000	GP-IP	GPEF7126HI
GP6000	GP3F7120	T-CIP-43
GP8000	GP5F7121	T-CIP-57
GP8000HI	GP7F7123	

Based on information obtained from our component suppliers, this document certifies that ALL TennMax America products are RoHS compliant and do not exceed the designated levels of restricted hazardous substances in electrical and electronic equipment.

This document also certifies that the above products do not contain Substances of Very High Concern (SVHC) as listed by the European Chemicals Agency (ECHA) under the provision of Regulations (EC) of the European Parliament and of the council concerning the Registration, Evaluation, Authorization and restriction of Chemicals (REACH).

This provision of this certificate supersedes and replaces any provisions of all other certificates previously delivered relating to compliance with RoHS and Reach Regulations.

Sincerely,

President

TennMax America
